5 RUTHANN JOHNSTON,

6 Plaintiff

7 v.

8 C.R. BARD, INC., BARD PERIPHERAL
9 VASCULAR INC.,

10 Defendants

2:19-cv-01861-APG-BNW

**Order To Show Cause Why This Case
Should Not Be Transferred to the Northern
Division of This District**

11 Plaintiff is a resident of Yerington, Nevada, which is in Lyon County. ECF No. 36 at 1.
12 Lyon County is in the unofficial Northern Division of this District. *See* Local Rule IA 1-6. Cases
13 are to be filed in the division in which the action allegedly arose. LR IA 1-8(a). I do not know
14 where plaintiff had her surgery to implant the allegedly defective device, but given where she
15 lives the surgery likely occurred in the Northern Division, which would be where the case arose.
16 Thus, it appears this case should be transferred to the Northern Division.

17 I HEREBY ORDER the plaintiff to explain in writing, supported by reasonable evidence,
18 why this case should remain in the Southern Division of this District. Failure to respond to this
19 order by January 29, 2020 will result in the transfer of this action to the Northern Division.

20 DATED this 8th day of January, 2020.
